

Homework assignment Information Literacy 1

Nov. 2025

Information literacy helps in finding, evaluating and processing information for your report. In this course you make the online instruction 'Information Literacy 1' at home. It will take approximately 3 hours to complete it. The results will be reported to your teacher.

The deadline is Friday 21st Nov at 11:00 am.

The results of the mandatory final test will be reported to your teacher. If you have any questions you can contact the [Library Education Support team](#).

In advance

Access to certain parts in this course is limited to the IP-range of the TU Delft campus. In order to gain access from outside the campus, you need to [download the Lean Library extension](#).

How to start?

1	Go to Brightspace (https://brightspace.tudelft.nl) and log in with your Net-ID
2	Go to "Catalog" (use the tab in the upper part of the screen) and search for Electrical Engineering Information Literacy 1 (2025/26 Q2)
3	You will get the following result:
 Left is the name of the course	
4	Click on the logo of the course (make sure you choose the right Bachelor Program!)
5	Click on Log in of the text "Log in to enroll"
6	Click on "Enroll"
7	Click on "Launch course"
8	You are now on the start page of the course Electrical Engineering Information Literacy 1 (2025/26 Q2) Click on "Content" (use the tab in the upper part of the screen) to start.

You need at least 12 out of 15 available points to pass the final test.

Afterwards

As this is a **pilot version** of a new, improved course, we would appreciate it if you could fill in the evaluation form in Brightspace to give us your feedback.

This instruction is available throughout this academic year, so you can always check it again when working on other assignments.

Good luck!
